

March 2020 Industry Update

In this issue:

- **Alberta Government CoVid-19 Updates**
- **Information for Albertans and Health Care Providers from Alberta Health Services**
- **NEW CoVid-19 Fact Sheets for employers and workers from WCB Alberta**

Alberta Government novel coronavirus (COVID-19) Updates

The Ministry of Health provides daily updates on the current situation in Alberta regarding the novel coronavirus (COVID-19) along with several important resources. Visit the [COVID-19 coronavirus Info for Albertans](#) webpage to access the latest news, information and resources.

Here are a few of the resources available:

- [Public Health Agency of Canada's Travel Health Advisories page](#)
- [Respiratory viruses and the workplace: OHS information for employers, supervisors and workers](#)
- [CCOHS Business continuity planning](#)

Information for Albertans and Health Care Providers from Alberta Health Services

Alberta Health Services regularly updates their website with the latest information and news regarding the Alberta novel coronavirus (COVID-19) response in addition to providing several resources to support health care providers and Albertans. Visit the [AHS website](#) to stay up-to-date.

Here are a few of the AHS resources:

- [COVID-19 FAQs for the Public](#)
- [Healthcare Worker Q&A novel coronavirus \(COVID-19\)](#)
- [Continuing Care Poster](#)
- [IPC novel coronavirus \(COVID-19\) Interim Recommendations Info Sheet](#)

NEW CoVid-19 Fact Sheets from WCB-Alberta

The risk of COVID-19 in Alberta is low, but employers or workers may have questions. WCB Alberta's new fact sheets for [workers](#) and [employers](#) explain WCB coverage and reporting in the event you, or someone who works for you, contracts the virus while working.
