

**This holiday season know your fire
escape plan.
Fire can come quickly you must
understand!**

A fire escape plan can help get you and yours to safety in event of a fire. Keep these tips in mind when creating your fire escape plan:

- Know two ways out of every room (windows & doors).
- Make sure all designated escape routes are accessible and free of clutter.
- Leave the building as quickly as possible. Once outside, don't re-enter the building for any reason.
- Call 911 from outside the building using a cell phone or a neighbour's phone.
