

Reporting MSI /RSI

Report MSI/RSI as soon as possible!

Early reporting leads to early treatment and a better chance for full recovery!

- ✓ Tell your supervisor right away if you have a work-related musculoskeletal injury.
- ! *If you require treatment beyond first aid or if you missed time from work:*
- ✓ Report your injury to WCB.
- ✓ Let your doctor know that you sustained an injury at work and follow through on any orders for treatment.
