

## Auditor Training

***Pre-requisite: To attend the Auditor Training Workshop you must have successfully complete the [OHSMS: Basics for Auditors workshop](#).***

This 2-day **in-person** or **scheduled online** workshop is the last workshop you take to become a Certificate of Recognition (COR) Auditor.

Learn to plan, conduct, complete and submit audits under the Partners in Injury Reduction (PIR) program—audits that align with the protocols and the standards required to achieve a Certificate of Recognition (COR). In order to receive a certificate of completion, you will complete an open-book competency exam and achieve a score of 80 percent or more. After successful completion of the course, you must successfully conduct your qualifying audit within 6 months of the Auditor Training workshop, which allows you to become a [CCSA approved auditor](#).
