COR Survey - Your Voice is Valued!

YOU, our COR HOLDERS, are invited to participate in our [COR survey](#) that launched on Monday May 2, 2022! We value your feedback and getting your input is the best way to enhance our COR services.

We want to know what is important to you, so CCSA can create the tools to best guide you in the COR Program. Please takes a few minutes to complete, your responses are confidential.

Take Survey

Have You Registered Your 2022 Audit Yet?

We are already 5 months into 2022 and **ALL AUDITS** need to be registered with the CCSA **prior** to starting your audit. Not registered yet?

Register Your Audit

Need an External Auditor for 2022?

CCSA has 21 recertification audits for 2022, if you have not already reached out to get quotes and book your external auditor for 2022, CCSA strongly recommends you do so soon. View our [external auditor list](#) on our website.

Once your auditor is booked visit the CCSA website to [register](#) your audit.

Partnerships On-Site Audit Review (OSAR) Process

Did you know that annually Partnerships will conduct On-Site Audit Reviews (OSARs) to validate the key findings of CP-certified auditors, and ensure the appropriate audit process was followed.

OSARs are conducted on the work of **external** auditors and designed to verify key audit findings and validate that auditors follow the Partnerships Standards. OSARs are conducted at an employer's worksite and are designed to take no more than one day on-site to complete data/information gathering.
