## The Squat Lift

## CCSA's 2022 Annual Report is out now!

It's been another eventful year for the continuing care community and the CCSA. We could not have been more proud of what we have accomplished and we certainly are excited for what may come next. All this, we would like to share to all of you - our partners, members and fellow health & safety enthusiasts.

Thank you for being part of our journey this year (and for many more years to come!).

## The wait is almost over for the CCSA's first eLearning Course!

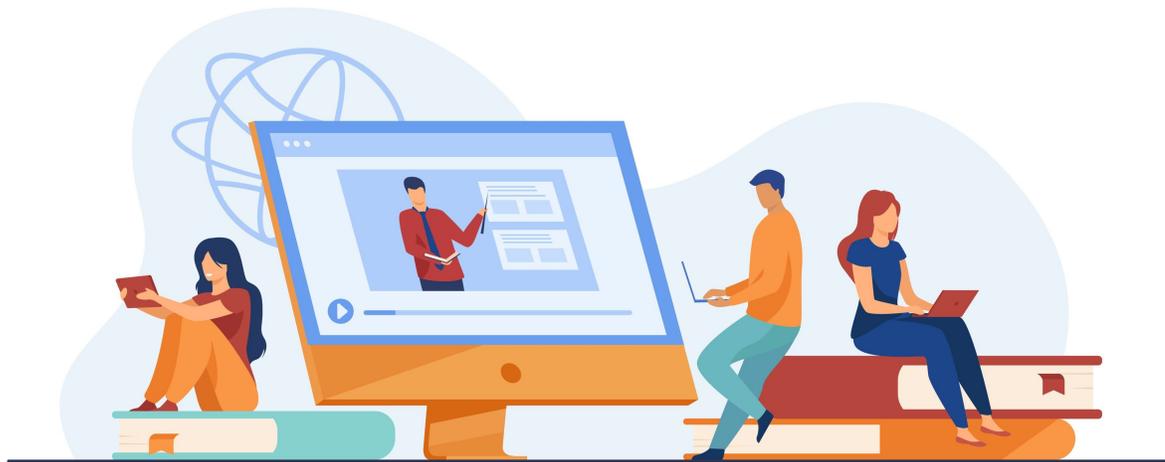

We hope you're just as excited as we are for the launching of the CCSA's Learning Management System and the first eLearning course on Health and Safety Committee & Representative!

Because we want you to have the best experience with this new digital resource, we are continuously polishing and improving its content, accessibility and other features to make it

perfect and ready for its launch. So, sit tight as we keep you posted. It's going to be worth the wait!

## Staff Profile: Meet Lee-Anne Morkin

As Director, Training Delivery and Member Engagement, Lee-Anne has been overseeing the work of CCSA's team of Health and Safety Consultants since 2019. She began her career as an EMT, which gives you some insight into her passion for helping people and her ability to manage challenging situations. She then spent many years as Coordinator of Disability Claims for Capital Care, where she worked with the continuing care and supportive living sector. One of Lee-Anne's core strengths is her ability to listen and her fearlessness to advocate for change. "Be the change you wish to see in the world," is her motto. She's super focussed on meeting member needs and she's not afraid to challenge the norm. In true Lee-Anne style, she does it with humility and kindness, two of the qualities we love most about her. We're onboard, Lee-Anne! Do your thing.
