### 3. Help someone start a new career

WCB's [training-on-the-job \(TOJ\) program](#) is designed to help people who are no longer able to go back to their regular job and employer. The worker develops skills and gains work experience, and we support employers with wage subsidy, training costs and accident protection.

Email [TOJ@wcb.ab.ca](mailto:TOJ@wcb.ab.ca) or call 1-866-498-4694 to learn how to get started with a TOJ.

### 4. Worksight

Worksight is our digital magazine that provides Alberta employers with timely information about workers' compensation topics and support available for injured workers. Worksight is published monthly and emailed directly to all employers with a WCB account. View the latest edition [here](#).

More people are working from home and employers are re-examining physical location as a requirement for employment. Our draft policy revisions reflect this changing nature of work by providing additional guidance and detail to help workers and employers know what may be covered. [Review our draft policy and provide your feedback.](#)

Consultation has been extended and remains open until March 20, 2023.

## 7. Day of Mourning email list
