

HOLIDAY SAFETY

DECEMBER SAFETY SEGMENT

Ladder safety during the holidays is incredibly important to prevent injuries and ensure everyone enjoys the festive season. Many people use ladders for decorating, hanging lights, or reaching high places, which increases the risk of falls and incidents. By following ladder safety guidelines you can significantly reduce the risk of injury. Prioritizing ladder safety helps keep the holiday spirit bright and accident-free.

LADDER SAFETY

DIRECTIONS

Start the discussion by setting the expectations for creating a safe space and respecting everyone's feedback. Print the poster or show an electronic copy about [Ladder Safety](#) and have the group watch this short video on [Ladder Safety](#). After watching the video use the guiding questions below to facilitate a group discussion.

SAFETY SEGMENT DISCUSSION

Guiding Questions:

- Why is it important to check your ladder before use?
- What is one important thing to remember while using the ladder?
- How would you know if you have the right ladder for the job?

Notes to the Team Leader:

- Facilitate an atmosphere of support and openness to feedback by encouraging the staff to share experiences or opinions without fear of reprisal.

Follow the CCSA and check our other resources.
